

Dear Clients,

It has been a great privilege to care for your pets over the years. With a lot of joy, and some sadness, I am writing to let you know of my intention to *gradually* retire. On September 27th To Your Door Veterinary Health and Wellness will join forces with Cat Care Clinic.

What does this mean? First of all I am not retiring on September 27th. I will continue to see patients over the next 12 months, at least. I will gradually cut my hours back after you have had a chance to meet the wonderful veterinarians at Cat Care Clinic who will continue to provide house-call services. Many of you have come to know and depend on Chelsea. She will continue to work with you as a full-time employee of Cat Care Clinic.

This means that your in-home services will not change. Chelsea and I will still provide the same quality, low stress in-home services that you are used to. You will have the advantage of additional veterinarians that make house calls and the wonderful facilities and staff at Cat Care Clinic at your disposal.

We have been working more closely with Cat Care Clinic since October. There have been times when my schedule was full and I could not see a kitty needing immediate care. Cat Care Clinic stepped in and saw them. I received positive feedback from every one of these clients. This positive feedback means the world to me, as my biggest concern surrounding my retirement has been the ongoing, compassionate care for my patients.

Cat Care Clinics staff are cat advocates through and through. They have some of the most knowledgeable and caring feline veterinarians in the country. They have cared for thousands of cats in Madison for more than 30 years.

Please be assured that Chelsea and I will do everything we can to make the transition smooth and stress free. Your cats' medical records are confidential and will remain on file with To Your Door/Cat Care Clinic. You do not need to take any action concerning your records. We will continue to send you reminder cards and emails when routine care is due.

You can continue to contact us by using the same phone number and email: 608-335-5777 and office@tydvet.com

It has been a great privilege to care for your pets. I have shared both heartache and joys with many of you. I have been blessed with the most wonderful clients.

I sincerely appreciate your friendship and loyalty. I wish you and your furry family continued good health and all the best in the coming years.

Thank you for the trust you have given me.

Karen Bryant DVM
